69 Tory Street, Wellington or virtual by Zoom

Register by requesting a place, email interRAI@tas.health.nz by 24th September 2021
Virtual registrants must request an electronic zoom invite

The 2021 Knowledge Exchange Forum will be in two parts

4.00-5.35pm: Summaries of current research. OPEN to registrants

5.40-6.30pm: Establishing an interRAI Research Network for clinical and academic researchers

Part One CURRENT RESEARCH

Facilitator *Warwick Long*

4.00pm Informal networking, tea / coffee

4.15-4.20pm Welcome and Mihi whakatau – Karakia. *Brigette Meehan, Marama Parore*

4.20-5.20pm

- Dementia research using the interRAI *Gary Cheung*
- Māori perspectives on frailty in later life *Irihapeti Bullmore*
- Understanding the impact of social isolation using interRAI data *Hamish Jamieson*
- Pacific Peoples and interRAI research *Xaviour Walker*
- Using New Zealand national datasets in research *Amy Chan*
- interRAI in Aged Residential Care (ARC) *Ngairi Kerse*

5.20pm Questions and discussion

5.35pm Closing Karakia

Part Two INTERRAI RESEARCH NETWORK

Facilitators: *Gary Cheung, Hamish Jamieson, Xaviour Walker, Amy Chan*

5.40pm

Clinical and academic researchers are invited to discuss establishing a collaboration group.

A network of researchers would provide opportunity to: share ideas, work through research case studies, develop best practice for analysis, attract undergraduate and postgraduate students, provide mentorship, collaborate for grant and project application, influence New Zealand health policy, raise the profile of interRAI assessment and the value of the data, and remain updated and connected with interRAI's international collaborative.

6.20 pm Closing Comments

6.25 pm Closing karakia
